

THANK YOU FOR SUPPORTING MADEIRA TROOP 209

This mulch sale helps local Scouts earn funds to participate in scouting events and purchase camping equipment. In addition, it helps them pay for a week-long Summer Camp, high adventure trips, and national jamborees. Scouts use their earnings to pay for activities year round.

Troop 209 is a 100-year old organization serving young men from the Madeira area. Currently 40 strong, Troop 209 is an active and successful "boy led" troop; strong in its commitment to the young men it serves and dedicated to the principles of the Scout Oath and Law.

The key to the continued success of the troop is an exciting outdoor program consisting of monthly weekend outings and a week-long "summer experience" that includes a traditional Boy Scout summer camp and/or troop organized High Adventure trips.

Our Scouts also serve our community in a number of projects. You may have seen them helping with several city sponsored events like "Light up Madeira", helping out Matthew 25 Ministries, or serving as the color guard for the Madeira Memorial Day Parade – a long-standing troop tradition. Many of the Scouts can also be found participating in one of the long-term Eagle Scout projects for the benefit of Madeira churches, schools, and parks.

Golden Premium Cypress (2 cu. ft. bag):

This mulch is made from Premium Cypress trees that are resistant to decay. It holds up and looks great for a long time. Cypress is a lighter color that many homeowners prefer for their mulching needs.

Ravenwood Colored Mulch (2 cu. ft. bag):

This mulch is made of processed hardwood. A "top grade" mulch that is dyed **BLACK** to hold its color. It spreads easily, giving your landscape a beautiful finished look for the whole season.

Pine Bark Mini Nuggets (3 cu. ft. bag):
