# Thank You for Supporting Madeira Troop 209

This mulch sale helps local Scouts earn funds to participate in scouting events year-round, such as monthly campouts, Summer Camp, High Adventure Trips, Merit Badge Challenges, horseback riding, skiing, national jamborees and service projects. They may also use funds to purchase camping equipment.

BSA Troop 209 is a 106-year-old organization serving young men from the Madeira area. Currently 30+ strong, Troop 209 is an active and successful “boy led” troop. We are committed to providing leadership opportunities, new skills and fun adventures for our Scouts, and are dedicated to the principles of the Scout Oath and Law.

The key to Troop 209's continued success is an exciting outdoor program consisting of monthly weekend outings, and a week-long summer trip that includes a traditional Boy Scout Summer Camp and/or troop-organized High Adventure trips.

Our Scouts also serve our community in a number of projects. You may have seen them helping with several city sponsored events like “Light Up Madeira,” helping out with Hands Against Hunger, or serving as the color guard for the Madeira Memorial Day March - a longstanding troop tradition.

Many of the Scouts can also be found participating in one of the long-term Eagle Scout projects for the benefit of Madeira churches, schools and parks.
